Re: *In re Allergan Textured Breast Implant Products Liability Litigation*, MDL No. 2921

Dear Judge Martinotti:

The parties have conferred regarding the upcoming May 6 Case Management Conference relating to the above matter and hereby request a later start time for the conference, if available.

Per the Court's March 1, 2024 order, lead and liaison counsel were scheduled to arrive at the May 6 Conference by 10:00 am and all other counsel were scheduled to appear at 12:00 pm via dial-in. The parties hereby request that the conference start times be modified to 2:00 pm for arrival of lead and liaison counsel and 3:00 pm for dial-in by all other counsel, if the Court is able to accommodate the parties. If accommodation is not possible, the parties request the 10 a.m. conference go forward.

Although the parties do not have any specific disputed agenda items to present, the Plaintiffs wish to discuss the important work completed since the last conference and the anticipated progress on other matters. The Plaintiffs believe it would be beneficial to proceed with the conference, consistent with the Court's comments at the last in-person conference.

We appreciate Your Honor's attention to this matter.

Respectfully submitted,

Melissa A. Geist
